

DISNEY SPRINGS

SHOW YOUR BADGE PROGRAM

What is the *Disney Springs*® Show Your Badge Program?

Our program was created as way for your guests to enjoy discounts and benefits from a wide variety of our partners at *Disney Springs*®. Offers range from discounts to free gifts with purchase and include both food and beverage and our amazing retail locations.

Do you have information on what kinds of discounts are available for my guests?

Yes! [Click here](#) for a list of the discounts and benefits currently being offered across *Disney Springs*®.

Who is eligible?

All meeting and convention groups throughout Central Florida are eligible to participate in our Show Your Badge program.

Is there a cost or a minimum purchase amount to participate?

There are no costs, no minimum commitments, required to enjoy our program.

How do I participate?

Your guests simply need to provide their meeting/conference credential (typically a name tag with both the guest and conference names printed on it) to any of the participating organizations and request the incentive being offered.

What if my conference does not provide a name tag as outlined above?

Contact our team (see below) to discuss ways in which specific arrangements can be made to accommodate your group.

Do I have to tell you that our group is coming to participate?

We would love to know as much about your group's plans as possible. Knowing that you will be coming allows us the opportunity to share those details with our participants and provides us an opportunity to provide excellent customer service to everyone.
